Math
Management
Physics
Political Science
Psychology
Sociology

What are THE ADVANTAGES?

Free tuition and the opportunity to jumpstart exploring a college pathway to a potential career while getting a taste of College life! You can attend courses on campus, by video conference or online.

HOW DO I APPLY ?

1. Meet with your secondary school counsellor early in the school year
2. Ensure that you have completed the prerequisites before the program starts
3. Design your timetable to accommodate the Dual Credit program
4. Sign the Letter of Understanding and have your parent or guardian sign
5. Complete an NLC Application form and return it to your counsellor, who will forward it to the College with all paperwork completed before your school's deadline.

ARE THERE DUAL CREDIT OPEN HOUSES OR ORIENTATIONS?

Yes – and you are encouraged to attend with your parent or caregiver.

Check with your school counsellor about upcoming NLC Dual Credit events in Fall and Winter.

*NLC offers dual credit program options to qualified secondary school students in partnership with School Districts 59, 60, 81 and 87 and Northern Opportunities. Check with your secondary school counsellor regarding your school district's partnership agreement regarding tuition-free dual credit courses.
