

B.C.'s Energy College™

Student Residences

Dawson Creek Campus

The Dawson Creek campus provides comfortable settings for students to learn. The Campus is centrally located within the Dawson Creek business area. It features close access to shopping and other amenities. The Student Residence is comprised of two wings with capacity for 190 students and includes assisted living units. The student residence surrounds a Common Room with a games area and separate study areas.

Campus living is affordable, convenient, and fun. Northern Lights College provides opportunity for success both academically and socially. The main campus building houses the campus cafeteria which offers a selection of low-cost meals Monday through Friday for breakfast and lunch. The library is also located here. The campus has a gymnasium, a baseball field, and a soccer field. The bookstore can provide you with textbooks and school supplies, and also sells an assortment of Northern Lights College logo items.

Choose from one, two, three, and four bedroom units. There is a two bedroom wheelchair-accessible suite on each floor. Each bedroom is furnished with a bed, small dresser, bookshelves,

computer station, chair, and is internet and telephone ready. Each unit has a kitchen with a stove, fridge, microwave, table, and chairs. Each floor is equipped with a washer and dryer. Vacuum cleaners are available for residents' use. Long-term stay students provide their own bedding, linen, towels, dishes, and utensils. These items are provided to short-term stay students.

Open flames are not permitted inside the student residence. Pets of any kind are not allowed. Cleaning is shared equally between you and your roommates.
