Northern Lights College Certificate of Health

Applicant Name: _____

TO THE PHYSICIAN:

The above applicant is interested in enrolling in the Early Childhood Education and Care or Education Assistant program at Northern Lights College.

Early Childhood Educators seek certification in the province to provide care, education and supervision to children 0-12 years of age. Students need to be physically fit in order to carry and lift children and must be able to actively engage with children in indoor and outdoor environments.

Education Assistants work in K-12 schools to provide care, support and education to children. Students need to be physically fit in order to carry and lift children and must be able to work under the direction of elementary and secondary school teachers to carry out education plans.

Please comment briefly on the applicant's general state of health, by completing this form.

I, _____, have found to the best of my knowledge, _____
Physician *Applicant*

to be in: good general health.

Check off the listed items below if valid. The applicant:

- has no communicable diseases.
- is free of any back problems that may interfere with lifting children.
- is able to work at job in a public childcare or school setting.
