

**NORTHERN LIGHTS COLLEGE  
REGISTRAR'S OFFICE  
PROGRAM INFORMATION AND COMPLETION GUIDE**

**Program Name:** Automotive Service Technician Foundation  
**Credential/Certification:** Certificate in Automotive Service Technician  
Foundation  
**Date Submitted:** October 2021  
**Effective Date:** **September 2022**

**Program Contact:** trades@nlc.bc.ca

**Dean:** Leo Manning

**Document Author:** Rod Cork

**Program Description:** This program consists of Foundation and Level 1 Automotive Service Technician Technical training as per the ITA prescribed curriculum. This program meets the ITA prerequisite for Level 2 technical training. Automotive Service Technician is a nationally designated trade under the Interprovincial Red Seal program. Automotive Service Technicians examine, test and repair the parts and systems on cars and light trucks. They often use computerized diagnostic equipment to test, adjust and repair key vehicle components such as engines, steering systems, braking systems, drive trains, vehicle suspensions and electrical systems. The work of an Automotive Service Technician also involves reassembling and testing repaired items against manufacturers' standards, as well as performing preventative maintenance such as wheel alignments, oil changes and tune-ups.

Successful completion of the Automotive Service Technician Foundation Program results in the student acquiring credit for Level 1 AST technical training and 450 work-based hours, and eligibility to move into Level 2 Apprenticeship training once they have a sponsor.

There is Reading week included in this program that will occur in the last week of February of every year (exact dates will vary).

**Admission Requirements:**

Math – one of the following:

BC Math 10 (minimum final grade of C+), or BC Math 11 or BC Math 12 (minimum final grade of C), or equivalent.

MATH 030 or higher, with a minimum final grade of C+, or equivalent.
