Program Description: The Piping Trades Foundation Training Program encompasses the foundational technical training required to enter into the trades of Plumber and Steamfitter/Pipefitter. This training includes all the relevant technical training to successfully complete the Foundation/Level 1 ITA learning outcomes for both trades simultaneously. Students who successfully complete this training will have satisfied the ITA requirements for their level 1 training in either trade. While enrolled in this program, students will be required to successfully complete a 3 week (90 hour) work Practicum placement, exposing them to the tasks and day to day functions of employees and apprentices in the trade. Students who complete the Piping Trades Foundation Program will receive credit for 375 work-based hours toward completion of either Plumbing Apprenticeship or Steamfitter/Pipefitter Apprenticeship depending on their choice of trade.
