PROGRAM INFORMATION AND COMPLETION GUIDE**

Program Name: Youth Explore Trades Sampler
Credential/Certification: None
Date Submitted: January 2017
Effective Date: February 2017

Program Contact: Mark Heartt

Dean: Mark Heartt

Document Author: Rod Cork

Program Description: Youth Explore Trades Sampler (YETS) is intended to introduce students in grades 9 - 12 (primary focus is grades 10 and 11) with the opportunity to sample trades prior to engaging in the commitment required to complete a classic dual credit or apprenticeship educational pathway. YETS allows students to make an informed choice regarding a choice of study which may interest them. It is intended to help students gain a clearer understanding of the standards, material, instructional methods and academic performance associated with apprenticeship training. This course provides a well aligned entry point into the Dual Credit Trades and Apprenticeship opportunities available at Northern Lights College. Students will be exposed to 5 trades and participate in the WEX program with their local school district to complete a 2 week work practicum in partnership with this opportunity.

Admission Requirements: Grade 9-12 enrolled student

Length of Program: (weeks and total hours) 12 weeks / 360 hours

Program Intake: (start/finish dates) February - May

Available Seats: 16

Application Deadline: December

Career Prospects: None
