/33

***Note:** Students can seek advice on academic planning from the Program Chair. Ultimately, it is the responsibility of the student to register for courses and to ensure that they have the pre-requisite courses where necessary as found on the NLC website at <http://www.nlc.bc.ca/Programs/All-Courses>. Not all courses are offered every year. To ensure availability of courses, we recommend that students consult NLC's Fall and Winter Academic timetables at <http://www.nlc.bc.ca/Programs/Academic-and-Vocational-Programs/University-Arts-and-Sciences-Timetables>.

*Optional Courses (Electives):

Note: Students should be aware that elective options may vary from year to year; students should seek academic advice on elective selection based on career and educational goals.

ANTH 202 (Ethnography of Canada's First Nation Peoples); **ENGL 110** (Introduction to Workplace Communications); **GEOG 114** (Physical Geography: Weather and Climate); **SOIL 117** (Introduction to Soil Science); **LAND 240** (Work Practicum); **MATH 104** (Introduction to Statistics); **POLI 200** (Politics and Pipelines); **SOSC 220** (Research methods for the Social Sciences).

****Note: students are advised to take one of ANTH 203 or FNST 100, not both.**

NLC Archaeology Diploma Planning Grid*
