***Note:** This program will prepare graduates for employment as a Human Services Worker in indigenous organizations on-or-off reserve. Certificate graduates can use courses toward completion of the Social Services Worker and Early Childhood Education and Care programs.

Students considering pursuing either of these credentials, should speak with a Program Chair about NLC's SSWD or ECEC programs.

****Note:** Students can seek advice on academic planning from the Program Chair. Ultimately, it is the responsibility of the student to register for courses and to ensure that they have the pre-requisite courses where necessary as found on the NLC website at <http://www.nlc.bc.ca/Programs/All-Courses>. Not all courses are offered every year. To ensure availability of courses, we recommend that students consult NLC's Fall and Winter Academic timetables at <http://www.nlc.bc.ca/Programs/Academic-and-Vocational-Programs/University-Arts-and-Sciences-Timetables>.
