Step 1:

Select the campus location you want to study at and the MATH level you want to enrol in.

- You must meet the prerequisites for the level you choose to enrol in.
- If you are unsure about which level to enrol in or whether you meet the prerequisites, consult your admission offer letter or speak with an Admissions Officer for advice.
- If your level isn't listed at your preferred location, speak with your Program Chair for information about the next semester your level will be available for enrolment at that campus.
