

# Get Involved with Student Governance

## Shape your student experience

Participating in the council or on the board provides valuable insight into how to develop policy, run meetings, and lead organizations.

### Education Council

The education council determines policies and curriculum at NLC. It also advises the board of governors on other issues.

The four elected student members serve a one-year term.

The council meets on the fourth Wednesday of the month online via Microsoft Teams.

Elected students receive an honorarium each month they attend a meeting.

### Board of Governors

The board of governors manages, administers, and directs NLC's affairs.

There are two students on the board.

Meetings take place on the third Wednesday of each the month and alternate between Dawson Creek and Fort St. John campuses.\*

Elected students receive an honorarium each month they attend a meeting.

### Student Council

Student Councils plan social, cultural, and recreational events for NLC students.

Student Councils operate under the umbrella of the NLCSA.

Councils may exist at any NLC campus in operation and includes an Online campus.
