

Corporate Training

Invest in your
team's growth.

Unlock your
team's potential.

Northern Lights College
Continuing Education

Welcome to Northern Lights College!

At Northern Lights College, we understand the importance of investing in your team's growth and development. Our corporate training programs are designed to empower your workforce with the knowledge and skills they need to excel in today's competitive business landscape.

Did you know that you only need a minimum of 5 team members to build a custom course or program?

Why Choose Northern Lights College?

Customized Training Solutions

We tailor our programs to meet your organization's specific needs, whether you're looking to enhance leadership skills, improve technical competencies, or foster a culture of collaboration and innovation.

Flexible Delivery Options

Choose to bring the training to you, have it on one of our NLC campuses or online, we offer flexible training solutions that accommodate your team's schedule and preferences.

Proven Track Record

Join a network of satisfied clients who have benefited from our comprehensive training programs and achieved measurable results.

Our Corporate Training Courses

Customized Solutions

Collaborate with our Corporate Program Coordinator to design custom courses or programs that address your unique business challenges and objectives.

Team Building

Invest in your team's success by enrolling them in our team-building courses, where they'll emerge with renewed motivation, stronger relationships, and a shared sense of purpose.

Leadership Development

Empower your managers and executives with the essential skills to inspire teams, drive organizational change, and achieve strategic objectives.

Professional Development

Enhance your team's soft skills, including communication, conflict resolution, problem-solving, time management, and customer service, to foster a high-performance culture.

Our Corporate Training Courses

Computer Skills and Software Training

Elevate your workforce's proficiency and efficiency with tailored computer skills and software training. Courses such as IT training or Microsoft training in Excel, PowerPoint, Project, Teams, and Word.

Technical Training

Stay ahead of the curve with specialized technical training in areas such as: engineering, oil and gas, environmental, healthcare, and trades.

Industry Certifications

Prepare your employees for success with industry-recognized certifications and credentials that validate their expertise and competency. Courses such as first aid, fall protection, forklift, skid steer, aerial boom lift, and more!

Holiday Team Parties

NLC offers holiday parties such as pottery, painting, Christmas wreath making, cooking classes, and more.

Why Invest in Corporate Training?

Increased Productivity

Equip your team with the skills and knowledge they need to perform their roles more efficiently, leading to higher productivity and output.

Employee Engagement

Demonstrate your commitment to employee development, fostering a culture of continuous learning and professional growth that boosts morale and retention.

Competitive Advantage

Gain a competitive edge by ensuring your workforce is equipped with the latest industry insights, trends, and best practices.

Innovation and Adaptability

Cultivate a culture of innovation and adaptability by providing your team with the tools and resources to embrace change and drive business innovation.
