In this Ends Policy, “Responsive Programming” means the College’s strategic pillar whereby the College strives to provide flexible educational opportunities that meet the evolving needs of the students, communities, and industries we serve.

The President shall pursue the improvement of the Responsive Programming by pursuing the following strategic goals:

1. Leverage provincial and regional priorities to inform NLC programming portfolio decisions
2. Offer accessible and flexible programming
3. Establish robust program and enrolment planning
4. Enhance curriculum review, renewal, and development

The President shall provide the Board access to the College’s plans to pursue each strategic goal.
