Students who plan to order course texts from the NLC FSJ Campus Bookstore are strongly advised to order textbooks as soon as registration starts to ensure availability and sufficient time for delivery. Find the Order form on our webpage:

<https://www.nlc.bc.ca/student-services-hub/campus-bookstores/>

Students may use second-hand texts. Students are advised to stay within one edition of the current edition being used for the course, but please note that there may be significant changes when a new edition is published (most publisher websites will post a synopsis of new editions they publish).

Students can use the Desire2Learn Student Resource Hub to sell or purchase used texts. Please note that Northern Lights College and the ECEC/EA Office are not responsible for the condition or provision of second-hand texts. Before purchasing a used copy, check if the Publisher's online features will be used which would require a new access code.

Students may also choose to order an electronic version (e-text) by logging onto CourseSmart at:
www.coursesmart.com
Not all textbooks will have an e-version option, so please login to the CourseSmart website to see what e-texts are available. At this time, e-texts must be ordered directly from the CourseSmart website (not the NLC Bookstore) and a credit card is required.

Textbooks ordered through the FSJ Campus Bookstore will be sent to the student directly from the Bookstore. Course content, readings, instructor information, webconference dates, times and tollfree phone numbers, etc. will be posted on D2L.

The Science Early Child Development (SECD) is an online resource that is required in some courses. BC residents may access this through:
<http://content.scienceofecd.com/pages/openaccess>
For anyone living outside of BC charges apply.

All textbook prices are subject to change, without notice. Texts returned within 20 days in new condition may be considered for a refund; providing it is in new condition, unopened and have proof of drop/change of course.

All Textbook orders will be subject to a 5% tax. All Textbook orders must be received in writing using our ECEC/EA Textbook Order Form which is on our webpage.

Prices & Titles are subject to change as texts arrive and as instructors make changes
