PROGRAM INFORMATION AND COMPLETION GUIDE**

Program Name: Piping Trades Foundation
Credential/Certification: Certificate in Piping Trades Foundation Training
Date Submitted: January 2026
Effective Date: September 2026

Program Contact: trades@nlc.bc.ca

Dean: Rod Cork

Document Author: Ryan Mayoh

Program Description: The Piping Trades Foundation Training Program encompasses the foundational technical training required to enter the Plumber and Steamfitter/Pipefitter trades. This training includes all the relevant technical training to simultaneously complete the Foundation and Level 1 Skilled Trades BC (STBC) learning outcomes for both trades.

Students who successfully complete this training will have satisfied the STBC requirements for their level 1 technical training in either trade. While enrolled in this program, students must complete a two-week (60 hour) work practicum placement, exposing them to the tasks and day-to-day functions of employees and apprentices in the trade. Students who complete the Piping Trades Foundation Program will receive credit for 375 work-based hours towards completion of either Plumbing Apprenticeship or Steamfitter/Pipefitter Apprenticeship, depending on their choice of trade.

Admission Requirements:

Math – one of the following:

BC Math 10 (minimum final grade of C+), or BC Math 11 or BC Math 12 (minimum final grade of C), or equivalent.

MATH 030 or higher, with a minimum final grade of C+, or equivalent.

English – one of the following:

BC Language Arts 10 Courses – 4 credits earned, minimum individual grade of C+, or equivalent.

BC Language Arts 11 Courses – 4 credits earned, minimum individual grade of C+, or equivalent.

BC Language Arts 12 Courses – 4 credits earned, minimum individual grade of C+, or equivalent.

ENGL 030 or higher, with a minimum final grade of C+, or equivalent.

IELTS score of 5.5 overall with no band less than 5.0 or equivalent English placement test and score.

OR

ESTR 037 (Intermediate-Level Essential Skills for Trades) with a minimum final grade of 67%.

OR

Successful completion of the NLC POWER program.

Post-Admission Requirements:

One month prior to the start of the program, students will be required to provide proof of the following certifications:

- Intermediate First Aid
- H2S Alive
- Common Safety Orientation (CSO)

All certificates must be valid for the duration of the program. Failure to provide proof may result in dismissal from the program.

Length of Program: (weeks and total hours) 19 weeks (540 hours)

Program Intake: (start/finish dates) February/June

Available Seats: 16

Application Deadline: All completed applications must be received one month prior to the start of the program. Completed applications received after this date will be reviewed based on seat availability.

Career Prospects: Plumbers and steamfitters/pipefitters can find employment in residential, commercial, and industrial construction in addition to maintenance departments of factories, plants and other similar establishments. They can also find work with pipefitting and sprinkler system contractors, or become self-employed in the industry.

Affiliations/Partnerships: Skilled Trades BC, Trades Program Advisory Committees
