Program Description:

Northern Lights College Diploma in Accounting program provides foundational and advanced-level accounting and business management courses to students who aspire to become well-equipped business professionals. Whether your ultimate goal is to pursue the CPA designation or to enter the workplace after completing the Accounting diploma, this two-year recognized program offers industry-standard training in a dynamic field with numerous career opportunities.

The Accounting Diploma program courses are recognized by the CPA Western School of Business, which provides students with seamless transfer for further study at many post-secondary institutions and includes a clear pathway to a CPA designation or a degree.

Admission Requirements:

A. Domestic students and students from counties that practice Standard Written English ([see Appendix A](#)) must have official transcripts demonstrating that they have met the English Requirements: One of the following with a 'C' grade or higher: English 12 or English Literature 12 or English First Peoples 12, ENGL 050, or ENGL 099. Alternatively, any university-level English course with a 'C' grade or higher. Students who do not meet one of the above English Requirements must complete the NLC Writing Assessment for appropriate course placement.

B. International students who do not meet the requirement A above, and domestic students who received their secondary education in French or another language, must show that they have met the NLC English requirement: [see Appendix A \(General Academic English Language Proficiency Requirements\)](#).

C. Math Requirement: One of the following with a 'C' grade or higher: Precalculus 11, Principles of Mathematics 11, Foundations of Math 11, MATH 040; or equivalent; alternatively, readiness for MATH 050 as determined by the CCP Math appraisal.

Note that some course options have specific prerequisites. Meeting the program entrance requirements does not ensure course prerequisites have been met for all available courses.

Length of Program: (weeks and total hours)
4 semesters (60 weeks full-time).
Minimum of 915 hours in total; minimum of 60 credits.

Program Intake: (start/finish dates) September, January, May
