## About the program

To offer you access to the best instructors and clinicians available, the Rodeo Team operates on a clinician-based coaching model.

Experienced local rodeo coaches attend weekly practices in your chosen timed event along with scheduled rough stock practices at the Lakota Agriplex in Dawson Creek.

This model helps to ensure rodeo athletes receive specialized, high-quality instruction in a supportive Team environment.

You and your teammates will have access to the on-site outdoor riding arena at the NLC Mile Zero Farm.
