

Meet your 2026-2026 NLC Dawson Creek Student Council Candidates

Nominees for President:

Blankson, Samuel

My name is Samuel Blankson, originally from Ghana, and I am 45 years old. I hold a Master of Business Administration (MBA) in Human Resources, a Postgraduate Diploma in Education, and a Bachelor's degree in Accounting. I have worked in several organizations in Ghana, where I have held various leadership positions and responsibilities that strengthened my skills in leadership, teamwork, communication, and organizational management. I am currently pursuing a Post-Degree Diploma in Industrial/Organizational Psychology at Northern Lights College in British Columbia, Canada. My leadership approach is based on active listening, problem-solving,

collaboration, and approachability. I believe an effective student leader should listen to students, understand their concerns, and work with others to develop practical solutions.

Community service and volunteerism are also important to me. Within two and a half months of arriving at Northern Lights College, I took the initiative to form a society focused on supporting children in the community in different ways. If elected Student Council President, I hope to introduce an "After College" program that will help students explore opportunities, career pathways, and practical steps to take after completing their studies. I also hope to build partnerships and establish connections with organizations and agencies across British Columbia and nationally to create opportunities that strengthen student engagement, career development, and future enrollment. My goal is to serve as an approachable and responsive student leader who represents students' interests, encourages volunteerism, promotes community engagement, and contributes positively to the Northern Lights College community.

Chibuike, Okoye

My name is Okoye Chibuike C, an HCA student at Northern Light College. I hold a BSc in Co-operative and Rural Development from Enugu State University of Science and Technology and a Diploma in Religion from the University of Nigeria, Nsukka. Before coming to the UK, I worked with Zenith Bank Plc, and I later worked as a Healthcare Assistant in the UK. These experiences have taught me teamwork, responsibility, and how to work with different people.

I want to run for Student Union President because I want to serve students, listen to their concerns, and make sure their voices are heard and as well represented to the school management. I believe in unity, honesty, and teamwork. If elected, I will do my best to support students, improve communication, and work with everyone to create a better student community.

Nominees for Secretary:

Iraguha, Marie Ange

I love helping people because it fills me with joy and satisfaction, especially when I can assist someone in solving a problem or finding a solution. I also enjoy organising fun events and bringing everyone together. I'm excited about the possibility of bringing that same positive energy to the student council! I want to support my fellow students, hear what they're concerned about, and work together to make our school community an even better place.

Kanu, Zandra Chidera

My name is Zandra Chidera Kanu, a student of Northern Lights College currently studying Professional Cook 1 and also working as a Student Housing assistant, where I support residents and help make the environment welcoming. I hold a first degree in mass communication with experience in client service and working with people from diverse backgrounds. These experiences have helped me develop strong communication, teamwork, and listening skills which I believe are important qualities for a student council secretary.

My interest in being a member of the student council stems from the need to listen to students' concerns and help create necessary solutions to solving them. As Secretary, I would bring the qualities I have

developed to the Student Council by keeping accurate records, communicating information effectively, supporting council activities, and helping ensure that students' ideas and concerns are heard and represented.

Singh, Ishpreet

I am a Social Service Worker student at Northern Lights College. I am interested in joining student leadership because I want to support students, listen to their concerns, and contribute to a positive college community. I am responsible, respectful, organized, and willing to learn. I want to gain leadership experience, share students' ideas, and work with others to create a welcoming environment at NLC. I am committed to taking my responsibilities seriously and making a positive contribution to the college community.

Nominees for Treasurer:

Chibuike, Okoye

My name is Okoye Chibuike C, an HCA student at Northern Light College. I hold a BSc in Co-operative and Rural Development from Enugu State University of Science and Technology and a Diploma in Religion from the University of Nigeria, Nsukka. Before coming to the UK, I worked with Zenith Bank Plc, and I later worked as a Healthcare Assistant in the UK. These experiences have taught me teamwork, responsibility, and how to work with different people.

I am committed to taking my responsibilities seriously and making a positive contribution to the college community.

Nominees for Social Media Facilitator:

Ebose, Sandra

My name is Sandra Ebose, I am a student at Northern Lights College currently studying Management Science. I am a friendly, creative, and hardworking person who enjoys connecting with people and being involved in my community. My background in management, retail, and customer service has helped me build strong communication and teamwork skills, while also teaching me how to work with different people and adapt to different situations.

I have a strong interest in social media and enjoy creating content, sharing ideas, and finding creative ways to

engage with others. I like keeping up with social media trends and using platforms to share information in a fun and relatable way. As a Social Media Facilitator at NLC, I would love the opportunity to showcase student experiences, promote activities and events, and help create a welcoming and engaging online community for NLC students.
